We are delighted to welcome you to Highlands Tandoori

Highlands Tandoori is a state of fashion, aspirational, young and young at heart. Highlands Tandoori is smooth and sexy, fast and funky. Today it says a lot about the kind of person you are, Sophisticated, stylish, cool and fashion conscious.

At Highlands Tandoori we have tried to put the past behind us and move into the present. the Indian Cuisine served here is an amalgam of old and new. The menu is a stunning repertoire of 'favorite' Indian dishes of the last 30 years, and a 200 years old style of cooking deemed so spectacular that, until now, only a few places in the world were able to, successfully serve it. This is the legendary Dum Pukt Indian Cuisine, Created by the Moghuls, (Turk Mongols by origin and Muslim by religion). The so-called mythical "food of Kings"

The Moghuls were lovers of nature and the good life and had a keen sense of beauty, and a passion for elegance. This was reflected in the presentation of food delicate flavoring mouth watering dishes, and superb silky sauces.

Highlands Tandoori also reflects this same philosophy. This is all based around the values of traditional Indian hospitality and service, delivered with style, panache and distinction. Food that is served at its best quality.
